Notice to Website Browsers

This website is provided for basic information and education purposes only. No doctor/patient relationship has been established by the use of this site. No diagnosis or treatment is being provided. The information should be used in consultation with Dr. Ehsan or an oral and maxillofacial surgeon of your choice. No guarantees or warranties are made regarding any information contained within this website.

This website is not intended to offer specific medical, dental, or surgical advice to anyone.

David Ehsan MD, DDS is licensed to practice in California, and this website is not intended to solicit patients from other states or country.

This website takes no responsibility for web sites hyper-linked to this and such hyper-linking does not imply any relationships or endorsements of the linked sites.
